WELCOME TO OUR NEW MEMBERS:

Mathew Martin Astrid Potter Becca Kollars Bayden Johnson Adam Hutchings

PRESIDENT'S COLUMN

BY JOSHUA PETERSON, PE

Happy New Year! I wrote my December message right after I cleared the first snowfall of the season off my driveway. I'm writing this one right after I blew snow for the 5th time? 6th time? It's been often enough, I've lost count. I hope everybody is being safe, driving slowly, and shoveling snow with their legs and not their back.

We had a great winter social last month at Remedy Brewing. Thanks to Kent Ode for putting on a fantastic event. We had a great turnout and it seemed like everybody had a fun time.

If you know of any budding engineers out there, there's still time to apply for the Eastern Chapter scholarship. Applications are due by January 14th. The application form can be found on the SDES website.

Nominations for Young Engineer of the Year, Engineer of the Year, and Outstanding Engineering Achievement are due in January. Winners will be recognized at our awards banquet in February. If you have someone you'd like to nominate, please reach out to Wes Phillips at wphilips@siouxfalls.org or 605-367-8657.

The annual conference is going to be held in Pierre this year. They have reached out looking for speakers. If you have a great topic you would love to share, please reach out to Nancy (sdengineeringsociety@gmail.com) to let her know you'd be interested in presenting.

We have a couple of volunteer opportunities for you coming up. MATHCOUNTS is coming up on February 23rd and is a great opportunity to meet future engineers. If you are interested in helping, please reach out to Krista May at 605-929-0267 or kristam@infrastructuredg.com.

We are also looking for volunteers for E-Week events. Throughout the month of February, SDES and ASCE will be teaming with the Siouxland Libraries for a more traditional STEM outreach event. If you have an engineering mini-golf hole from last year or are considering building one for 2023, we've also been working on a summer mini-golf event to celebrate Infrastructure Week in May. Please talk with Erin Steever (erin.steever@bartwest.com or 605-373-5915) for more information.

Our next Eastern Chapter meeting is on January 10th at the 41st Street Pizza Ranch. Jerry Jongeling with City of Sioux Falls Light & Power will be discussing their 10 year long range plan. Hope to see everyone there.

MONTHLY MEETING

Please join us <u>in-person</u> for the monthly Eastern Chapter SDES Meeting at the Pizza Ranch Meeting Room on 41st Street.

Tuesday, January 10th, 2023

Lunch starts at 11:30 am and the meeting begins at Noon Jerry Jongeling with City of Sioux Falls Light & Power

We look forward to seeing you in person, but <u>if you'd like to join us virtually</u> via WebEx, please see the information below.

We have set up a recurring meeting for the rest of the year, so the meeting information will stay the same until the end of the year (May 2023). Members can also find the link if they log into the website and click on Membership Meeting Information under the Members Only item in the left hand menu.

SDES EASTERN CHAPTER: CALL FOR SCHOLARSHIP APPLICANTS

Eastern Chapter Scholarships

High School Seniors

The Eastern Chapter will award \$2000 Engineering Scholarships in 2023. Applicants should be high school seniors and must be planning on attending an engineering program at either South Dakota School of Mines and Technology or South Dakota State University. Applicants must have attended a high school in the Eastern Chapter area. The Eastern Chapter's Scholarship Committee chooses the recipients. The application form may be obtained through the following link https://sdes.wildapricot.org/page-1279270 Applications must be mailed and postmarked by January 14, 2023 to be considered. The scholarship recipient is presented with an award at the Chapter's annual Engineering Banquet usually held in mid-February.

SDES EASTERN CHAPTER: CALL FOR SCHOLARSHIP APPLICANTS

EASTERN CHAPTER OF THE SOUTH DAKOTA ENGINEERING SOCIETY (SDES)

NATIONAL SOCIETY OF PROFESSIONAL ENGINEERS (NSPE)

\$2,000 ENGINEERING SCHOLARSHIPS!!

ARE YOU A HIGH SCHOOL SENIOR INTERESTED IN PURSUING A CAREER IN ENGINEERING?

IF YOU ARE:

 A 2023 GRADUATING HIGH SCHOOL SENIOR AND ENROLLING IN A SOUTH DAKOTA ENGINEERING PROGRAM IN THE FALL OF 2023 AT THE SOUTH DAKOTA SCHOOL OF MINES AND TECHNOLOGY OR SOUTH DAKOTA STATE UNIVERSITY.

AND YOU HAVE:

- SHOWN THE ABILITY TO HANDLE RESPONSIBILITY
- HAVE LEADERSHIP SKILLS
- EARN HIGH GRADES & ATTAINED HIGH ACT SCORES

YOU QUALIFY!

THESE SCHOLARSHIPS ARE OFFERED BY THE EASTERN CHAPTER OF THE

SOUTH DAKOTA ENGINEERING SOCIETY (SDES) www.SDES.org

A STATE SOCIETY OF THE

NATIONAL SOCIETY OF PROFESSIONAL ENGINEERS (NSPE) www.NSPE.org

APPLICATION DEADLINE IS JANUARY 14, 2023

CONTACT YOUR HIGH SCHOOL GUIDANCE COUNSELOR OR VISIT www.SDES.org FOR AN APPLICATION AND INFORMATION.

ENGINEERING AWARDS—SDES EASTERN CHAPTER WES PHILIPS, PE

As you complete as-builts and pay applications for the year, please take some time to reflect on your accomplishments and those of your peers. Nominate a worthy engineer or project for one of our annual awards:

- Outstanding Engineering Achievement (Project)
- Engineer of the Year
- Young Engineer of the Year

We have many engineers and projects in the Eastern Chapter that deserve recognition for a job well done. Nominations are due January 27th, 2023. Nomination forms were emailed to the membership group and are available at the following link http://sdes.wildapricot.org/page-1564527 Contact Wes Philips at wphilips@siouxfalls.org or 605-367-8657 with questions.

Award Descriptions

Engineer of the Year

This award recognizes an Eastern Chapter member who has made outstanding contributions to the engineering profession, the public welfare, and/or humankind. The award nominees are judged on education, continuing competence, professional and technical society activities, awards and honors, civic and humanitarian activities, engineering achievements, professional experience, national organizational offices held, activities of unique quality, and any special advisory assignments.

Young Engineer of the Year

This award recognizes a member of the Eastern Chapter who has made outstanding contributions to the engineering profession and their community during the early years of their career. Nominees must be 34 years of age or younger on January 1 of the nominating year to be eligible. The award nominees are judged on education and collegiate achievements, professional society activities, technical society activities, civic and humanitarian activities, continuing competence, and engineering achievement.

Project of the Year (Outstanding Engineering Achievement)

This award acknowledges the accomplishments of the engineering profession. Each year the Eastern Chapter recognizes engineering achievements that have captured the innovative and dynamic spirit of a profession dedicated to public service. The award nominees are judged on application of engineering principles, originality and innovation, complexity, social significance, and economic impact.

MATHCOUNTS

MATHCOUNTS°

Save the Date

When: Thursday, February 23, 2023 at 1:00pm - 6:00pm

Where: Southeast Technical Institute, Sullivan Health/Science Center, Room HC 257

Who: Middle Schoolers from SE South Dakota

Volunteers are needed to help with the registration table, hand out tests, watch for cheating, grade tests, and keep time. Volunteer Sign-up sheet will be available at January's and February's lunch meetings.

Contact Krista May at kristam@infrastructuredg.com or 605.929.0267 with questions.

E-WEEK OUTREACH ERIN STEEVER, PE

E-Week - Are You Ready for a New Kind of Outreach?

Throughout the month of February, SDES and ASCE will be teaming with the Siouxland Libraries for a more traditional STEM outreach event (think bridge building and diverging diamonds!). We have several dates already penciled in at three of the branch locations.

- Tuesday, February 7th (3-4pm) at the Oak View Branch
- Tuesday, February 14th (3-4pm) at the Ronning Branch
- Friday, February 17th (2-3pm) at the Crooks Branch
- Saturday, February 18th (10-11am) at the Prairie West Branch
- Saturday, February 25th (9:30-10:30am) at the Downtown Branch *Note: this is the morning of our Awards Banquet
- Tuesday, February 27th (4-5pm) at the Callie Branch

Potential sites also being coordinated - Brandon, Brookings and Rapid City

Golfers: If you have an engineering mini-golf hole from last year or you have started thinking about or maybe even constructing a new mini-golf hole for 2023, no fear, we've also been working on a summer mini-golf event to celebrate Infrastructure Week in May. The Siouxland Libraries are also interested in teaming with SDES for this event.

As always, we will need volunteers to make our E-Week event possible. A <u>coordination</u> <u>meeting will take place Tuesday, January 17 at noon (Buffalo Wild Wings – Dawley Farms)</u> in addition to the events listed above. Check your calendar and RSVP to <u>erin.steever@bartwest.com</u> for the coordination meeting and/or the STEM events. All events subject to volunteer fulfillment of 2 volunteers minimum per event. Let's have fun and introduce the kids in our neighborhoods to engineering!

E-WEEK OUTREACH ERIN STEEVER, PE

EASTERN CHAPTER AWARDS BANQUET AND SDES ANNUAL CONFERENCE

SAVE THE DATE!

Eastern Chapter Engineering Awards Banquet

When: February 25th, 2023

Where: GreatShots

More details to come...

SAVE THE DATE: SDES Annual Conference

The SDES Annual Conference will be hosted by the SDES Central Chapter in Pierre on April 4-6, 2023. The Conference Planning Committee is looking for great speakers on a wide array of engineering topics. Please reach out to Nancy at the SDES Office (sdengineeringsociety@gmail.com) if you are interested in presenting or have a recommendation for a speaker or topic.

Join your colleagues for some great PDH opportunities and social interaction.

More information regarding registration, sponsorship and vendor opportunities, speaker line-up, and tour to come!

Membership List Myron Adam, PE

Eastern Chapter of SDES Goals

To promote the licensed practice of engineering and to provide learning opportunities that enable licensed engineers to maintain practice competency;

To maintain high ethical standards for the practice of engineering and lead the profession in adhering to these principles:

To protect the public health, safety, and welfare; while being good stewards of the environment;

To incorporate engineering principles and perspectives in government decisions that protect the public; and

To consider community service a professional obligation.

SDES Mission Statement

SDES is the state society of engineers from all disciplines that promotes the ethical and competent practice of engineering, advocates licensure, enhances the image of its members, and advocates legislation and public policy for the betterment of human welfare and the profession.
