

South Dakota Engineering Society

Website Job Listing Information

The South Dakota Engineering Society offers job posting services via the SDES website to individuals desiring to advertise engineering-related jobs. SDES members and non-members can post job advertisements on a monthly basis for \$60.00 per month per listing.

All job advertisements must be for engineering-related position and will be subject to compliance with SDES legal and ethical requirements.

Please contact the SDES Executive Director to place your job listing!
